Balibrea bldg., Pili Drive,Butuan City. **BRAINTRUST** would like to inform you that we have launched a Computer Literacy Program especially granted to Elementary and high school students. This program offers Computer Hands-on Advance Training for three (3) months and three (3) weeks, Advance Short-term Course on Software and Hardware in Microsoft Application every Saturday and Sunday for two (2) hours purely hands-on every session. An Institutional Certificate from **MANA MILLENIUM TECHNICAL SCHOOL INC.** will be issued after the training.

In view of the above partnership with **MANA MILLENIUM TECHNICAL SCHOOL INC**, **BRAINTRUST EDUCATIONAL DEVELOPMENT SYSTEM** will be conducting a Science and Computer Aptitude Test for ten (10) minutes only in order to pre- qualify your students to the aforementioned computer training. Those who will pass the examination will receive a Special Privilege from the Program, but it is not compulsory on the part of the parents, it is on voluntary basis only.

Hence, may we request your kind permission to please allow us to conduct the said examination to your students from grade 5th and 6th for the primary level and grade 7th to 12th for the secondary level simultaneously, as this may also determine the proficiency level of your students in the field of Science and Computer.

Attached herewith is your Regional Advisory on our program dated September 13, 2016. We humbly request to include grade 5th and 6th in the primary levels for our newly launched program which will be granted also for the elementary students.
