Dear (OIC) Beatriz G. Torno

Warm greetings!

In partnership with Teekay Shipping Philippines Inc. and Saint Joseph Institute of Technology (SJIT), would like to campaign our principal's Marine Scholarship Cadetship Program under TK Foundation.

The TK Foundation - Future Leaders Program (FLP) aims to sponsor young Filipinos from poor or less financial advantage family who would like to pursue a career in the maritime industry. The program is a four-year degree where students can choose - Bachelor in Science in Marine Transportation and Bachelor in Science in Marine Engineering. The scholarship covers tuition, school miscellaneous fees, board & lodging, and other STCW trainings.

From enrolment to employment, students are guaranteed a one-year cadetship onboard one of Teekay vessels to acquire hands on experience.

In this respect, we would like to request a formal endorsement from your office giving us permission to conduct such activity and provide campaign posters to be posted in the selected secondary schools. Attached herewith are the sample campaign posters.

We intend to involve the graduating K-12 or senior high school students particularly those who are interested to become maritime students.

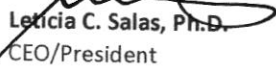

Your support along this concern is highly appreciated.

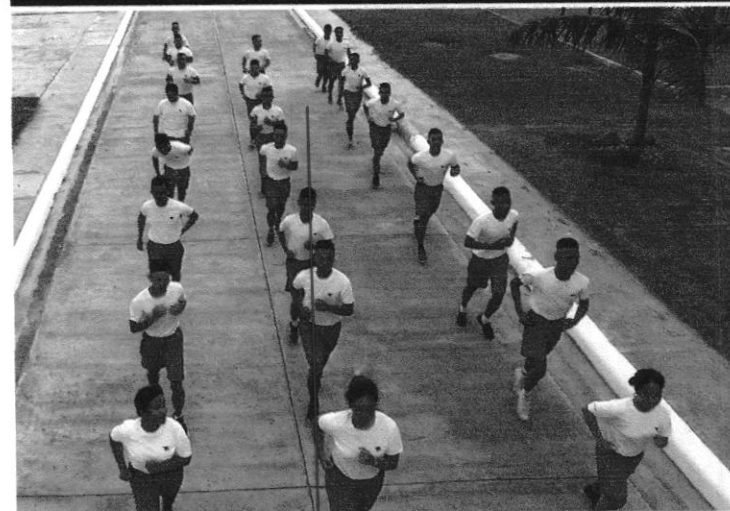

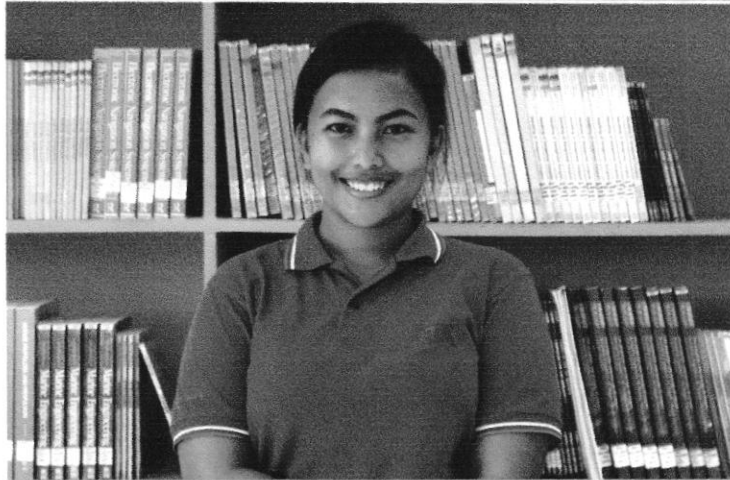

Thank you and God bless.

Yours truly,

Capt. Gilbert B. Maturan
