Dear Madam:

Paglaum Shows and Events in cooperation with Erasto Films Production present for special screenings of an advocacy film **"BOSES"**. The film is about friendship, compassion, the strength of the human spirit and the healing power of music. It is about communicating that only the deepest parts of our human soul can discern. It is equally important for children to be cared for and protected from all forms of abuse and exploitation sadly committed by irresponsible citizens, guardians, or adults in authority whom children trust and look up to. The movie also tackles social issues rampant nowadays - poverty, child abuse and responsible parenthood. Lead by the country's most popular stars *Ricky Davao, Meryll Soriano, Cherry Pie Picache, Coke Bolipata and Julian Duque.*
