Dear Sir:

Urian Greetings!

Father Saturnino Urios University will be celebrating its 117th Founding Anniversary on September 19-22, 2018 with the theme, "Building Nation Through Quality and Relevant Education." It will be a grand celebration with various activities lined up. One of these annually conducted events is the Urios Legacy Village (ULV) Home Build, entitled "Urian Kalinga Build 2018". It will be a four-day house and community building activity on September 15-22, 2018 at the Gawad Kalinga-Urios Legacy Community (GK-ULC), Barangay Mahay, Butuan City.

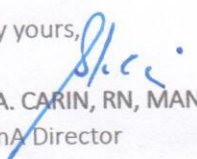

With this, we would like to invite you as partners to take part in this effort to bring better lives to our informal settlers living along the danger zone of Agusan River through joining in this event by creating a team of builders consisting of 10-15 persons, if possible, or just sending participant builders. You can join our morning or afternoon build. Below are the details of the activity flow:

- 6:00 A.M. / 2:00 P.M. Assembly Time at FSUU CBS Front (in front of Sacred Heart School)
- 6:00 A.M. / 2:30 P.M. Departure
- 7:00 A.M / 3:00 P.M. Warm-up (GK Unity Dance)
- 7:15 A.M / 3:15 P.M. Build Proper

We are building two houses. Building tools and gears are available but in limited quantity, so we are encouraging you to provide your own as well and please be in proper and comfortable building outfit.

Please reach us through our telephone number 342-1830, local 1662 or 0912-279-2706 for your confirmation, queries or clarification in this matter on or before September 14, 2018. Together let us take our part in this endeavor. Thank you.

Very truly yours,
