FRANCIS CESAR B. BRINGAS, CESO V
OIC-Regional Director
Department of Education – CARAGA
Jose Rosales Avenue, Butuan City

Dear **Director Bringas**,

Greetings!

In line with the continuous rise of Measles and Dengue cases in Surigao City where the 22nd Caraga Athletic Association – Regional Sports Competition (CAA-RSC) is currently held, we strongly urge all your School Division delegates and their medical teams to immediately report to the district health stations or to Surigao City Health Office, participants with fever (38 degree Celsius and above) of more than 2 days until March 1, 2019.

After the Awarding of the CAA-RSC, please inform all delegates to report fever episodes to their respective Rural Health Units until March 9, 2019. We are proactively strengthening our fever surveillance especially to all attendees of the Regional Athletic Meet nationwide.

Thank you very much.

Very truly yours,

JOSE R. LLAGUNA, JR., MD, MPH, CESO III
Director IV
