MEMORANDUM
DM-CI-2019-00185

**FOR : REGIONAL DIRECTORS
BARM EDUCATION MINISTER**

FROM : DIOSDADO M. SAN ANTONIO
Director IV, Officer-In-Charge, Office of the Undersecretary
for Curriculum and Instruction

**SUBJECT : NATIONAL SCIENCE AND TECHNOLOGY WEEK – DEPARTMENT
OF SCIENCE AND TECHNOLOGY**

DATE : JUNE 25, 2019

Science education aims to develop scientific literacy among learners that will prepare them to be informed and participative citizens who are able to make judgments and decisions regarding applications of scientific knowledge to their daily lives.

In line with these goals, we encourage the participation of students and teachers from both private and public schools in the celebration of the National Science and Technology Week (NSTW) of the Department of Science and Technology (DOST) with the theme "**Science for the People: Enabling Technologies for Sustainable Development**", from July 17 to 21, 2019 at the World Trade Center, Pasay City, pursuant to Presidential Proclamation No. 169 s. 2013 entitled Declaring the Third Week of July as National Science and Technology Week. This annual NSTW will gather industry experts, representatives from the government, agriculture, communication and education sectors, and other stakeholders. This is also an opportune time to showcase results of exploratory/investigative Science projects and inventions and other activities that would inspire students to pursue careers in Science and Technology and to expand the network of STEM advocates.

Immediate dissemination of this memo is desired.
