Dear ATTY. BRINGAS, PH.D., CESO V:

Greetings of Peace!

We are pleased to inform you that GIZ (German Development Cooperation) being commissioned by the German Federal Ministry for Economic Cooperation and Development (BMZ) in cooperation with the government of the Republic of the Philippines is on its preparatory phase for the project *Youth for A Culture of Peace and Non-violence in Mindanao* (YOUCAP). The project's objective is to have selected state and non-state actors contribute to gender-sensitive, youth-oriented peacebuilding and non-violent conflict transformation in selected areas of Mindanao, that is to say Region X, Region XI, Region XIII and parts of BARMM.

The inception workshop outputs from last year suggested the necessity for the project to initiate a stocktaking and learning exchange workshop with teachers, instructors and representatives from the academe to discuss a joint basis of the understanding on peace education and jointly reflect on the state of affairs of the role of the educational sector in promoting a culture of peace and prevent youth from following the path to violence.

This first Stocktaking and Learning Exchange Workshop will take place with the aim to map and gain a better understanding of the different education institutions (especially at the high school and tertiary level) and gather their inputs on the idea of setting up a permanent exchange forum for educators on youth-oriented peacebuilding in the future.

We would like to invite **two (2) focal representatives from Deped Regional Office** and **five (5) peace education focal persons/coordinators from the schools divisions especially situating in the most conflict affected areas** to participate in the **Educators' Stocktaking and Learning Exchange Workshop on Peace Education on March 9-11, 2020, at N Hotel, Kauswagan**
