GOVERNMENT SERVICE INSURANCE SYSTEM (GSIS) ADVISORY ON PAYMENT OF
PREMIUM AND LOAN AMORTIZATIONS

1. The Regional Payroll Services Unit (RPSU) has received a Government Service Insurance System (GSIS) giving clarification on GSIS Press Release about extension of payment of premium and loan amortizations.
2. GSIS clarified that such extension should not be interpreted as a moratorium. The premium and loan deductions for the months of March and April 2020 payrolls should still be implemented. Even though the extension is until May 10, 2020 it would be best to already remit for March the moment the community quarantine is lifted so that latest payments will be considered whenever members will have transactions with GSIS such as renewal of loan, availing emergency loans, etc.
3. Regional and Schools Division Offices as well as Implementing Units (IUs) are encouraged to observe prudence and diligence in processing GSIS and other remittances so that our teachers and employees will get the latest updates of their account whenever they need financial assistance in these hard times of surviving the COVID-19 outbreak, that way we can make a difference in their family's needs for basic subsistence.
4. Widest and immediate dissemination of this memorandum is desired.
