REGIONAL MEMORANDUM  
No. 316, series 2020

To: All Schools Division Superintendents  
Medical Officers, Dentists In Charge, Nurse In charge  
This Region

**GUIDELINES ON THE UTILIZATION OF THE TRANSFERRED FUNDS FOR THE IDENTIFIED SCHOOL CLINIC HUBS AND SUPPORT FUNDS FOR THE SCHOOL DENTAL HEALTH CARE PROGRAM CY 2020**

1. The Regional Office has transferred funds for the procurement of dental, medical and nursing supplies, equipment and medicines as support in establishing a functional clinic for the identified Elementary School Clinics.
2. The procured supplies, equipment and medicines shall be secured in a cabinet at the clinic and shall be used for the learners, teaching and non-teaching personnel including the neighboring schools of the recipient schools.
3. Allocation for Program Support Funds to be used at the Division Offices for the School Dental Health Care Program shall be for the following:
  - a. Additional needs of dental equipment and instruments for an effective and quality dental service delivery.
  - b. As a response to COVID 19, provision of Personal Protective Equipment (PPE) to secure safety protocol in the conduct of delivery of services.
  - c. As augmentation for the installation of dental units and chairs, for the monitoring of the delivery of oral health supplies and health kits in the district and schools.
4. Enclosed are the list of school clinic sites for every Division and the recommended list of dental and medical supplies and equipment for information and guidance.
5. Immediate dissemination to all concerned are enjoined.
