We would like to thank you for the support in the conduct of the 2019 intensified campaign for the Philippine Science High School System (PSHSS) National Competitive Examination (NCE) which resulted to 1,437 examinees, a 25% increase from the previous year. Our campaign covered all the 5 provinces, and the 67 municipalities and 6 cities of the Region. We reached the last elementary schools in the boundaries of Region XI and Region X. We are very much thankful also to the 12 Schools Division Superintendents, the school principals and elementary teachers who helped their pupils take the examination in 13 testing centers.
