Dear **Sir Bringas**,

Greetings of Good Health and Prosperity!

In response to address the impacts of COVID-19 Pandemic in the region, the Department of Science and Technology – Philippine Council for Health Research and Development (DOST- PCHRD) in collaboration with Caraga State University (CSU) through the Mathematical and Statistical Computing and Research Center (MSCRC) and Caraga Center for Peace and Development (CCPD) conduct the program entitled, **“Understanding COVID-19 Pandemic Situations in Caraga Region through Epidemiological Models and Resiliency Studies 2020 (UnCOVER Caraga 2020)”**. The Program, which comprises four (4) research projects, generally aims to produce science-based research findings to understand COVID-19 pandemic situations in the region by developing epidemiological models and conducting psychosocial and socio-economic studies. *(See attached file for the Program description and rationale)*

One of the objectives of UnCOVER Caraga Program is to assess the psychosocial, resilience, and socio-economic impact of the Pandemic to the community and our valued frontliners during this crisis. With this, I would like to seek your support and assistance to disseminate this information and have your constituents respond and take part in the survey. Given below are the details of the surveys:
