**SUBJECT :** Downloading of Additional Program Support Funds (PSF) to Support Indigenous Peoples Education (IPed) Program Implementation

**DATE :** May 18, 2021

To support the continuing implementation of the Indigenous Peoples Education (IPed) Program and ensure that learning continuity is sustained in schools serving IP learners, additional IPed Program Support Funds (PSF) are to be downloaded to divisions implementing the IPed Program. This is to ensure that the particular needs and situations of IP communities and learners are addressed through the pandemic.

Guided by the principle of equity in the national Basic Education Learning Continuity Plan (BE-LCP), amounts of the additional PSF to be downloaded will be based on the following: 1) remaining PSF from FY 2020; 2) PSF received in the first quarter of 2021; 3) concerns and needs of schools that have been addressed using remaining 2020 PSF and 2021 Division PSF; and, 4) projected needs of IPed implementing schools and schools serving IP learners for the coming months until the end of FY 2021. Soft copies of the attached data capture forms (please see Attachment 1) that will guide the gathering of appropriate information to estimate amounts needed shall be sent to IPed Division focal persons. Submission of these forms are a requirement for consideration in the provision of additional 2021 PSF. The deadline for the submission of the attached forms is on **May 28 (Friday), 2021**.

The recording, utilization and reporting of additional downloaded PSF shall be guided by Department Memorandum 005, s. 2021 or the *Supplementary Guidelines on the Use of Indigenous Peoples Education Program Support Funds*.

For your appropriate action.
