PHILIPPINE RED CROSS MASS BLOOD DONATION DRIVE

In celebration of the World Blood Donor Day, the Philippine Red Cross Agusan del Norte-Butuan City Chapter shall conduct a Mass Blood Donation Drive on June 14, 2021 at SM City Butuan.

This activity aims to raise awareness on the need for safe blood and blood products for transfusion and of the critical contribution voluntary unpaid blood donors make to our healthcare systems. Employees are encouraged to donate blood for this event.

Please see attached letter for more information on the said activity.

DR. EVELYN R. FETALVERO, CESO IV
Regional Director
Department of Education
Butuan City

Dear **MISS FETALVERO**,

Greetings of peace and wellness!

World Blood Donor Day is celebrated on the 14th of June each year. The aim is to raise awareness of the need for safe blood and blood products for transfusion and of the critical contribution voluntary, unpaid blood donors make to our healthcare systems.

This 2021, the World Blood Donor Day slogan is "**Give blood and keep the world beating**". The message highlights the essential contribution blood donors make to keeping the world pulsating by saving lives and improving others' health through regular blood donation.

In line with this celebration, the Philippine Red Cross Agusan del Norte-Butuan City Chapter will conduct a **Mass Blood Donation Drive** on June 14, 2021 at SM City Butuan Event Center. We humbly ask for your support by encouraging your employees to donate their precious blood for this life-saving event.

Throughout the COVID-19 pandemic, the Department of health issued guidelines in ensuring the safety of everybody during mobile blood donations. Thus, all health guidelines and protocols will be implemented during the event.

For more details about this matter, please don't hesitate to contact us at (085) 3428521 or at 09177177004 and you may look for Ms. Che Marie A. Gelacio, RMT or the undersigned at 09176210881.

Thank you in advance and more power!

Respectfully yours,

ALGER L. BOTER, RMT
Chapter Administrator
