Dear Ma'am:

Greetings of Peace and Prosperity!

Promoting the vocation of the Bureau to the community by conducting different outreach programs to help in the rehabilitation process of PDL (Persons Deprived of Liberty), the Bureau of Jail Management and Penology – Caraga Region persists to look for various ways to support our advocacy towards public service and to fulfill our social responsibility.

This coming September 2021, BJMP Caraga Regional Office will be conducting the "BJMP CARAGA VIRTUAL BIKE/RUN FOR A CAUSE" in preparation for the upcoming 2021 Elderly Filipino Week which is celebrated every first week of October. The event has three categories: 150 km Bike Challenge, 50 km Run Challenge and both (100 km bike and 32km run challenge) which is open to Government and Non-government workers. This activity is a 1-week challenge which aims to conduct a fun and challenging virtual biking and running event, with the goal of creating awareness and deepening the perception of the society to the public safety officers, while raising funds for the beneficiaries, the Senior Citizens Persons Deprived of Liberty of the entire region.

In line with this, BJMP Caraga would like to invite you and your staff to join and participate on this worthy endeavor. Through this activity, we can promote health and wellness to your personnel and staffs, while testing their physical endurance and capacities. With your help & participation, we can make this project more successful and meaningful.

In addition, this event is also a great opportunity to be compiled as one of your social responsibilities as well. You may consider yourself as big part and partner of this event as we will carry the name of your institute all throughout the event—from promotion and documentation, up to implementation & execution during the outreach programs. The said activity will be joined by different institutes and agencies.
