REGIONAL MEMORANDUM

No. 137, s. 2021

To: SCHOOLS DIVISION SUPERINTENDENTS
 This Region

CORRIGENDUM TO REGIONAL MEMORANDUM NO. 702, S. 2021
 RE: IMPLEMENTATION OF ELECTIVE SUBJECTS FOR SPECIAL
 CURRICULAR PROGRAMS IN SCIENCE
 SCHOOL YEAR 2021-2022

1. All Special Science Elementary Schools are hereby informed of the correction made for the instruction time for Enhanced Science and Enhanced Mathematics. Both subjects shall have 60 minutes per day or 5 hours per week instead of 80 minutes per day from Grades 4 to 6.
2. In the absence of Creative Technology for all RSHS, LSHS, and STE implementers who will implement gradual transition, TLE must be offered since Creative Technology is a contextualized TLE for Special Science Programs. Example, if Grade 7 level offers Creative Technology for year 1 transition, the remaining Grades 8 to 10 shall offer regular TLE subjects.
3. SCP-Science implementers may access the CGs and MELCs of the elective subjects at <https://bit.ly/ScienceElectiveSubjects>.
4. Other provisions in the said Regional Memorandum No. 702, s. 2021 are still enforced.
5. Immediate dissemination of this Memorandum to all concerned is highly desired.

EVELYN R. FETALVERO, CESO IV
 Director IV 

Encls.: As stated
