REGIONAL MEMORANDUM
 No. 0498, s. 2022

To: SCHOOLS DIVISION SUPERINTENDENTS
 This Region

ONSITE MONITORING AND EVALUATION FOR THE ADMINISTRATION OF
 NATIONAL ACHIEVEMENT TEST FOR GRADE 6, EARLY LANGUAGE,
 LITERACY AND NUMERACY ASSESSMENT, AND COMPUTER-
 BASED NATIONAL ACHIEVEMENT TEST FOR GRADE 12

1. Coherent to the Regional Memorandum No. 482, s. 2022 Re: Test Administration for the Early Language, Literacy and Numeracy Assessment (ELLNA), and for the National Achievement Test for Grade 6 (NATG6), the field is hereby informed of the conduct of the onsite monitoring and evaluation (M&E) for the NATG6 and ELLNA on June 13-17, 2022.
2. The onsite M&E during the administration of the national assessments aims to account all the sampled schools and test takers for the NATG6, ELLNA, and CB-NATG12 while ensuring the adherence of the test administration to the standard procedures.
3. The sampled schools (see **Enclosure A**) will be monitored by the Regional Monitors together with the Division Testing Coordinators (DTCs). If in any cases where the DTCs can not join the Regional Monitors due to some important test administration concerns, the Schools Division Offices (SDOs) shall identify one (1) Division Personnel who will accompany the Regional Monitors in the onsite M&E. The schedules of the M&E of the Regional Monitors are found in the **Enclosure B**. The Division Testing Coordinators (DTCs) shall also arrange the itinerary of the Regional Monitors during their onsite M&E to maximize their time vis-a-vis limited test administration schedules.
3. Since there will be one Regional Monitor per SDO per test administration schedule (except for SDO-Siargao), the M&E to all sampled schools scheduled on the same date is impossible. As such, DTCs are directed to delineate the M&E of other sampled schools to their respective Room Supervisors. With this, the Room Supervisors are expected to accomplish the same M&E tool that the Regional Monitors will use. The M&E Tool for NATG6 and ELLNA is found in the **Enclosure D**, while the M&E Tool for the CB-NATG12 is found in the **Enclosure E**. DTCs, through their Chief Examiners, shall also accomplish the M&E Tool for the sample test takers found in the **Enclosure C**. This shall be submitted to the RTC on or before June 17, 2022 via email at kevinhope.salvana@deped.gov.ph.
4. Travel and transportation expenses of the Regional Monitors are charged against their local funds, while for the Division Monitors are charged against the Sub-Allotment Release Order for the national assessments subject to usual accounting and auditing rules and regulations.
