ONLINE SURVEY FOR MASTER OF SCIENCE IN HUMAN MOVEMENT  
SCIENCE (MSHMS) PROGRAM

The College of Humanities and Social Sciences of the University of the Philippines Mindanao will conduct an online survey for MSHMS in the region among the teachers who have received an undergraduate degree in Physical Education, Special Program in Sports, and/or degree programs related to Natural Science (such as Physical Therapy, Nursing etc).

The survey would provide the university an opportunity to determine the interest of potential students as well gather insights and recommendations for the improvement of the program. The survey form link is <https://forms.gle/VjgDrpeAU7RL1ThM6> and the QR code is found in the attached letter.

For more information, please email [dhk.upmindanao@up.edu.ph](mailto:dhk.upmindanao@up.edu.ph) or call (082) 2930016 local 9320.

Dear Ma'am,

In line with UP Mindanao's academic program expansion to support its advocacy in promoting well-being and social values through sports, we plan to offer the Master of Science in Human Movement Science (MSHMS) program.

This graduate-level program is set to offer on A.Y. 2023-2024 and is designed to increase the teacher-administrator's depth of knowledge and provide research experience in the comprehensive and systemic study of human movement in the fields of Exercise Science, Physical Education, and Leisure Studies.

With this, we would like to request your approval and assistance to disseminate an online survey for MSHMS in your region among teachers who have received an undergraduate degree in Physical Education (P.E.), Special Program in Sports, and/or degree programs related to Natural Science (such as Physical Therapy, Nursing, etc.). This survey would provide us an opportunity to determine the interest of potential students, as well as gather insights and recommendations for the improvement of the program.

Below is the survey form link and its respective QR code.
